COPPERFIELD HILL CHATTER

OCTOBER 2018

A Note from the Executive Director

Greetings to the Copperfield Hill Community -

Fall is here. September seemed to just fly by. Thanks to all who welcomed our First Responders here at Copperfield Hill for breakfast on the 11th. We are grateful for their dedicated service.

Although we had to move some of our Harvest Fest festivities inside, I hope that you enjoyed time with neighbors, friends and family. It was a busy day with games, face painting, petting zoo and great music celebrating the season. With Germany being the country we are celebrating in October, it is only fitting that we begin with our own Oktoberfest. Thanks to all who contributed to the event.

On another note, the renovation in the Manor Sun Room is now complete. Thank you for your patience as we finished this project. It took a bit longer than anticipated but please enjoy the updated space.

October is certain to be full of activity here at Copperfield Hill. We will remember friends and family at our Angle Tree Ceremony on the 4th. We will welcome local pastors to our community for fellowship and brunch later in the month. Flu season is around the corner. Make note of the flu shot clinics offered through Walgreens Pharmacy.

Thank you for continuing to welcome new neighbors to our community. I hope you enjoy the crisp fall days of October.

Skol,

Todd Klein, Executive Director

Happenings from the Recreation and Wellness Department

Where did September go? As the days get shorter and cooler, we will continue to be busy throughout the fall months. We began the month with National Assisted Living Week. One fun event was the resident/staff karaoke contest.

September ended with Copperfield Hill's Harvest Fest. A few accommodations were made as the weather turned chilly and most of our celebration was inside. However, residents and families had a great time. Thanks to everyone who helped make it such a huge success. October calendars for the Manor and Lodge are packed with a variety of programs and special events. Manor residents will be going to the world's largest candy store in Jordan and then a stop at Emma Krumbee's in Belle Plain. There are some fun outings for the Lodge this month too. They will be going to Leeann Chin and Red Lobster. We will end the month with Halloween parties across campus. So start thinking about a costume!!

Germany will be the country represented for our passport travels this month. Look for special programs regarding Germany in October. May everyone enjoy a wonderful kickoff to the autumn season. ~Beth Sutton

Germany is Europe's most industrialized and populous country. Famed for its technological achievements, it has also produced some of Europe's most celebrated composers, philosophers and poets.

Achieving national unity later than other European nations, Germany quickly caught up economically and militarily, before defeats in the two World Wars left it shattered, facing the difficult legacy of Nazism, and divided between Europe's Cold War blocs.

Germany rebounded to become the continent's economic giant, and a prime mover of European cooperation. With the end of the Cold War, the two parts of the country were once again united, although the economy of the former east continues to lag behind the rest of the country.

Key dates in Germany's History:

- 1871 Otto von Bismarck unifies Germany
- 1914-18 World War I. Germany is defeated and becomes a republic.
- 1933 Adolf Hitler, head of the far-right Nazi Party, becomes chancellor.
- 1939-45 Second World War sees defeat of Germany and its partition into the pro-western Federal Republic and the Soviet-controlled German Democratic Republic.
- 1955 West Germany joins NATO; East Germany joins the Warsaw Pact.
- 1957 West Germany is a founding member of the European Economic Community.
- 1961 Construction of the Berlin Wall to prevent flight of East Germans to the increasingly prosperous West.
- 1970 West German Chancellor Willy Brandt establishes relations with East Germany in an effort to ease ten sions across the Iron Curtain.
- 1989 Mass exodus of East Germans as Soviet bloc countries relax travel restrictions. Berlin Wall is torn down.
- 1990 Chancellor Helmut Kohl reunites Germany as a single state.
- 2005 Democrat Angela Merkel becomes chancellor.

Resident Spotlight

Meet Dee. Dee moved to Copperfield earlier this year after rehabilitation from a serious accident where she was run over by a car in a church parting lot. After her recovery from surgery and time spent at a TCU, Dee knew she needed more help. She truly enjoys living at Copperfield Hill and all the people she has met so far.

Dee was born and raised in LeMars, Iowa (home of Blue Bunny ice cream) and attended Wayne State Teacher's College. She finished her degree in St. Cloud and began teaching in Robbinsdale in 1959. Dee taught 5th grade from 1959-1992. She taught at different schools, but they were all in District 281. She only taught 5th grade.

Before moving to Copperfield, Dee lived in Plymouth and was very busy with different groups. She is very close to her two nieces, who are like daughters. Dee was an active participant at Leisure Age at ELIM Church and is glad that it has been revived at RUCC. She also enjoys swimming with a senior group at the YMCA called the "Mermaids" and stays connected with her Red Hat group. She enjoys cards, dominos and bingo here at Copperfield and is always up for a game. She also enjoys all the entertainment at Copperfield and dinner at the Copper Stein Tavern. There isn't much that Dee hasn't tried. She enjoys the new friends she has met here, and is surprised at how long some residents have lived at Copperfield. She will call Copperfield home and mentions that she doesn't miss taking care of a yard or having a car. Dee we are glad you chose Copperfield Hill as your home.

Harvest Fest Highlights

Visit to the petting zoo, Marilyn posing with her family after face painting, Brian putting the finishing touches on a beautiful buffet, Friends enjoy music from the third floor, Pastor Jan & family and Brittiany painting faces

At our recent Harvest Fest, with cards close on hand, Dee organized a foursome for a impromptu game of 500.
